Who we are

Org4Peace International Helpers are people like you, who felt inspired to help those who are struggling to break the cycle of poverty, vulnerability to abuse, bonded labour and trafficking.

Why education matters

Extreme poverty and a lack of education perpetuates the cycle of poverty in developing countries.

You can make a difference!

Children of the rural poor, those from single parent families and orphans have very limited or no access to education. As a result, they do not have many options in life.

Their future, especially for girls, may consist of early marriage, backbreaking labour, lack of medical care, complications in childbirth, unhealthy families, malnutrition and dependence. At the worst, children, women and rural poor families will often fall prey to exploitation and violence, debt bondage, slavery and trafficking.

With education, children have a future with options. Their future holds literacy, delayed marriage, skills development, empowerment, better healthcare and nutrition, self-worth and self-sufficiency.

The Gaurishankar English School

The Gaurishankar English School admits children free of charge, so that they may start their education as soon as possible. This is to ensure that these children are not left behind because of their poverty.

With your support, we can build classrooms, provide desks, blackboards, books, school supplies, laptops, scholarships and any other needed items to grow and assist schools.

To help us assist schools, please donate at **org4peace.org/donate**

one+one

1+1 child educational sponsorship program

When you sponsor a child, you actually sponsor two. The first child, who is already at the school attending for free, receives school supplies and school fees are covered. The second child, who is usually on a waiting list, is then admitted into the school.

Depending on individual needs, a sponsored child receives books, school supplies, payment of school fees, a school uniform and if needed, lunch or snacks. With the 1 + 1 Program, we can do this.

With sponsorship, we are also able to support the school, hire more teachers and facilitate many programs for children and the community.

The cost of a school scholarship is \$20 a month (\$240 CAD/USD or 180 € per year).

To sponsor a child please visit **org4peace.org/sponsor**

Volunteering and fundraising

Help us raise much-needed funds by holding a fundraiser at home, with friends, at your office, or at your school. Volunteer online, in your home or abroad.

Many volunteers have helped by spreading the word and inviting others to help our cause, designing pamphlets, offering their professional services, holding fundraising events, getting their schools and places

of work involved in fundraising – the possibilities are endless.

In Nepal, many volunteers have taught English, music, hygiene, CPR and life-saving training, set up medical clinics, donated laptops, and much more.

For more information please visit org4peace.org/volunteer

We need your help

You have the power to change the lives of some of the most disadvantaged and exploited children in the world. Help increase access to education and provide basic needs to children, disadvantaged women and families.

Your financial support can help put an end to the cycle of poverty, child trafficking and the exploitation of the most vulnerable members of society.

Please consider making a donation, sponsoring a child's education, helping a rural family become self-sufficient or supporting one of our projects at org4peace.org/donate

What we do

- Facilitate access to education for impoverished rural children
- Help strengthen communities by setting up libraries, expanding schools and offering employment opportunities
- Assist rural families in achieving economic sustainability

Basic needs program

Offers relief to poor families struggling to buy the basics for their children.

Warm jackets, shoes, school uniforms, etc.

To help us with these costs, please see:

org4peace.org/donate

Sustainable family program

Help families lift themselves out of extreme poverty. A goat, chickens or a pig plus training, will improve a family's nutrition and generate income. It's as simple as that to help one rural family on the road to self-sufficiency and better health.

org4peace.org/sponsor-a-family

Sponsor a family

Choose one of our gift options to help a rural poor family. Provide a goat, pig or a yard full of chicks, school scholarships, winter jackets and shoes. For gift options visit:

org4peace.org/sponsor-a-family

Sponsor a child

Send a child to school for \$20 a month (\$240 CAD/USD or 180 € per year).

org4peace.org/sponsor

Give a goat, pig and/or chickens

1 goat, pig or a yard full of chicks plus training helps a family generate income and improve their nutrition. To find out how you can help, go to:
